

Laminating Service and Laminating Pouches

Nothing beats a laminated copy for preserving a document - plus they make a professional look for presentations.

Some ideas of projects created with our laminating service:

- **Recipe Cards** - Make your recipes withstand the rigors of kitchen cooking, saving yourself from spills, drips and drops on your favorite recipes.
- **Business Cards** - Laminating a business card with a luggage tag pouch not only makes great sense for you, but makes a nice gift for a business prospect as well.
- **Children's Art** - Many mom's have laminated their children's artwork, making an impressionable placement for the home or for the grandparents.
- **Flash Cards** - Help your child with laminated study aids like flash cards.
- **Price Lists** - Many restaurants, hair salons, contractors and retailers use a laminating service to preserve price lists for reuse.
- **Badges** - For events such as meetings, conventions, conferences, networking events and more.
- **Bookmarks** - From your favorite piece of art or published memento.
- **Instruction Sheets** - For re-use over and over again to help guide through a process.
- **Catalog Sheets** - For frequent lookup of drawings, diagrams, part numbers and pricing.
